BASSMASTERS

Notes from the Office of the President

From The Office of the President to my fellow Bassmasters . 3 Tournaments are on the books now. Palestine was a very tough post cold front day and Ron was the only angler able to catch a limit however Ryan noticed a bridge close by and catches an 8.32 lb bass to go along with his other 2 keepers and takes the win. Lake Tyler was up next and fishing was little better with the top 7 anglers catching a 5 fish limit except Peter who had only 3 with a 7.89 big bass and he takes the victory. Remember put the right bait in the right place and you'll get bit every time. Hope to see you at the next tournament JD later

Up Next:

2 day Club Tournament at Bob Sandlin on April 7/8 at public ramp at dam First cast 6:45 and last cast 3:30pm on day 1 and 2:00 pm on day 2. We will only count your best day, so remember if you catch a big bass day 1, but day 2 weight was bigger, then you will have to make a decision.
