## Notes from the Office of the President

First on my agenda is to wish all the Great Mothers of our club...Happy Mother's Day !

Now I would like to report on our past tournaments at Texoma and Nocona Lakes. My congratulations to all winners of both tournaments.

Texoma was a two day tournament but really turned out to be a one dayer with heavy rain and wind. Nocona was tough also just look how many fish weighed in with no limits. That's tough.

Danny won Big bass side pot. This is I think 3 times so far this year. Good job Danny. It was your time. Thanks for all that you do for our club and tournaments.

Next up is Eagle Mountain Lake on May 28th from 6:00am 'til 3:30pm.

Hope to see you all there.

Remember: Put the right bait in the right place to get a bite every time.
